Blue Dental PPO Pediatric

2018 plan year

Overview

About this plan

PPO Pediatric covers those who are 18 or younger when the plan starts. When you see a dentist in our preferred network, you'll pay only 20 percent of the cost for basics like cleanings and fluoride treatments.

Availability

You can buy this plan if you live in any Michigan county.

Plan type

PPO. For dental care, you can go to any licensed dentist and this plan will share the cost. But you'll pay less if you see an [in-network dentist](#).

Who's covered

This plan only covers dental care for pediatric members.

Monthly premiums

To give you an accurate price, we'll need some information. [Find a plan](#) to get a quote.

Deductible for dental care

Class I services have no deductible. There is a deductible for Class II and III services only. Class IV is not covered.

Related documents

For even more details about this plan, see:

[Pediatric Dental Certificate of Coverage \(PDF\)](#)

Certificates are legal documents that describe the benefits of a health insurance plan. Your plan might have different benefits and limitations than those listed in this document.

Pediatric Dental

Children can get pediatric benefits until the end of the calendar year in which they turn 19. There is no waiting period for pediatric dental.

Plan benefits

When you go to a dentist who accepts this plan, that's called getting your care in-network. [Find a dentist](#). Because this plan is a PPO, you're covered when you go to a dentist who doesn't take this plan, but you'll pay more. That's called getting your care out-of-network.
